Instructions for Form 4124, *Blender Schedule of Disbursements*

General Instructions - Tax is due upon removal, importation or other taxable event and must be included in the report for the month in which the transaction takes place.

Schedule Types - Check the appropriate box on page 1.

- 5 Gallons of taxable fuel removed, sold or imported. Do not include gallons reported on other disbursement schedules.
- 5C Gallons of aviation fuel sold to Aviation Fuel Registrants for resale.
- 5F Gallons of dyed diesel/dyed biodiesel fuel sold/used for taxable purposes with Michigan tax collected.
- 6F Gallons of dyed diesel/dyed biodiesel fuel sold or removed for tax-exempt purposes.
- 7A Gallons exported by supplier or sold for export - Destination state tax collected or accrued. (Michigan tax was not collected.) Attach separate schedule for each state/province/country. Licensed Suppliers and Exporters only.
- 7B Gallons sold for export with Michigan tax collected. Attach separate schedule for each state/province/country. Submit two copies of each. Licensed Suppliers and Exporters only.
- 8 Gallons sold tax-free to U.S. government located in Michigan.
- 9 Gallons sold tax-free to state and/or local government in Michigan, including public schools. **Gasoline, ethanol blends, undyed diesel, undyed biodiesel, and dyed biodiesel only. Does not apply to aviation fuel.**
- 10F Gallons of Foreign Trade Zone aviation fuel disbursed. Licensed Suppliers only.
- 10G Gallons sold tax-free to non-profit, private, parochial or denominational school, college or university, used in buses for transportation of students for authorized functions.
- 10M Gallons of **gasoline, ethanol, or gasoline-ethanol blends** sold tax-free to fuel feedstock users.

Product Codes - Enter the appropriate code on page 1. See the Blender Monthly Tax Return instructions or Treasury's Web site for a list of product codes.

Column Instructions

- Column (1) & (2): **Carrier** - Enter the name and Federal Employer ID Number (FEIN) of the company that transports the product.
- Column (3): **Mode of Transport** - Enter the mode of transport. Use one of the following:
J = Truck **R** = Rail **B** = Barge **S** = Ship (Great Lakes or ocean marine vessel)
RT = Removal from terminal (other than by truck or rail for sale or consumption)
- Column (4): **Point of Origin** - Enter the location from which the product originated.
- Column (5): **Point of Destination** - Enter the location to which the product was delivered. If delivered into tax-free terminal storage (Schedule 10F), the Terminal Control Number must be reported.
- Column (6) & (7): **Sold to** - Enter name of purchaser and FEIN.
- Column (8): **Date Shipped** - Enter the date the product was shipped.
- Column (9): **Document Number** - Enter the bill of lading number.
- Column (10): **Net Gallons** - Enter the net amount of gallons disbursed.
- Column (11): **Gross Gallons** - Enter the gross amount of gallons disbursed.
- Column (12): **Billed Gallons** - Enter the number of gallons to be billed to the customer.
